

Terms and Conditions for RTEMS Class Registration

Registration Process

The registration is as follows:

- transfer all information required for registration to **embedded brains GmbH**, preferably using our web form
- **embedded brains GmbH** will send you a fax form with all your information already filled in. Please sign it and fax it back to us. This is your the formal registration request.
- **embedded brains GmbH** will acknowledge the receipt of your registration form
- **embedded brains GmbH** will issue detailed joining instructions 2 weeks before the class starts

Cancellation by embedded brains GmbH:

A minimum number of attendees is required for the RTEMS Open Class. For this reason, **embedded brains GmbH** reserves the right to cancel the RTEMS Open Class up to 2 weeks prior to the published start date. **embedded brains GmbH** liability will be limited to a refund of the class fee paid.

Cancellation by attendee:

Half the class fee will be charged for cancellation by the attendee within 2 weeks of the start date. Cancellations after that date cannot be processed and **embedded brains GmbH** will charge the full fee.

Class Fee:

The classes are offered on a prepaid basis. 2 weeks before the actual class date, **embedded brains GmbH** will send an invoice which must be paid before the class starts. The class fee includes:

- tuition
- class notes
- use of RTEMS Open Class training facilities
- lunch and beverages

Travel, accommodation and expenses for attendees are the responsibility of each attendee.

The RTEMS Open Class session and all course material is in English.

Copyright:

It is acknowledged that all intellectual property rights, including copyright, patents, design rights and know-how in or relating to the class or class material provided or made available in connection with the class remain the sole property of their owners and no copies in any form may be made of class materials unless expressly agreed in writing by them.

Warranties and Disclaimers:

The information provided on an **embedded brains GmbH** training class may be out of date or include omissions, inaccuracies or other errors. Except where expressly provided otherwise in an agreement between you and **embedded brains GmbH**, all information provided directly or indirectly through an **embedded brains GmbH** training class is provided "as is" without warranty of any kind. **embedded brains GmbH** hereby disclaims all warranties with respect to this information, whether express or implied, including the implied warranties of merchantability, satisfactory quality and fitness for a particular purpose. In no event shall **embedded brains GmbH** be liable for any direct, indirect, incidental, special or consequential damages, or damages for loss of profits, revenue, data or use, incurred by you or any third party, whether in contract, tort or otherwise, arising from your access to, use of, or reliance upon information obtained from or through an **embedded brains GmbH** training class. **embedded brains GmbH** reserves the right to make changes, updates or corrections to the information contained in its training courses at any time without notice.
